

# SPARKLE

INDUSTRIAL CONCENTRATE DEGREASER & CLEANER

**SPARKLE is a dynamic solution for severe cleaning problems in today's oil field, marine, and industrial markets**

## SPARKLE IS:

- ◇ Highly Concentrated
- ◇ Water-Based
- ◇ Non-Toxic
- ◇ Non-Hazardous
- ◇ Biodegradable
- ◇ An effective cleaner for most heavily soiled areas
- ◇ Effective at removing oxidized paint
- ◇ Non-flammable
- ◇ Gentle to most painted surfaces

To use, simply spray, wipe, or mop product on surface to be cleaned. Let sit 1 to 3 minutes, agitate severe spots, rinse with clear water for clean, residue-free surface.

**WARNING:** SPARKLE is a strong caustic cleaner for industrial and professional use only. Wear safety goggles, gloves and protective clothing.

SPARKLE is not compatible with soft metals such as polished aluminum & magnesium.

Recommended Dilution Ratio:  
 Pressure Washer: 50 to 1  
 General Use: 25-50 to 1  
 Heavy Cleaning: 10 to 1  
 Severe Cleaning: 5 to 1

## WILL CLEAN:

- ◇ Concrete Floors & Driveways
- ◇ Ramps, Decks & Platforms
- ◇ Tank & Barge Compartments
- ◇ Shop Floors & Walls
- ◇ Exhaust Stack Smoke
- ◇ Carbon
- ◇ Bunker C & No. 6 Fuel Oil
- ◇ Mold, Mildew & Algae
- ◇ Water-line Scum
- ◇ Rubber Tire Marks
